**HARVARD LOST
TO YALE****Blue Triumphed in Base Ball,
3 to 1****CRIMSON COULDNT HIT**

White Yale Touched Up Castle When
the Bats Were Banged — Meyer
Patched Well for the
Victors.

Cambridge, Mass., June 22.—Yale triumphed over Harvard in baseball yesterday afternoon by the score of 3 to 1, due to the inability of the Crimson men to hit Meyer. The visiting colleagues had little trouble with Castle, getting eight hits. He struck out seven to three for Meyer. Harvard's only score was a home run by Cheshire through left field; otherwise they were kept busy popping up easy choices to the Yale fielders.

The first inning passed a bad hole for Castle who started by passing O'Brien. The runner stole around and McCall found him. Hinske's easy grounder, hitting the first and third cracks. Sammons got him at first and Smith struck out. The third down was Camp, who was thrown out at first by Leonard.

Agric. Yale started off well in the second. Jackson leading with a single. Madden popped to Stephenson, but Jones singled through the pitcher, Jackson going to second. Meyer struck out and O'Brien's grounder to McCall found Jones at second.

In the third the break came, however. Castle hit Hinske and Rooney sacrificed. Smith held out a double and McCall scored. Camp popped out, but Jackson rapped out a single and Smith scored. Madden struck out. Yale's third and last tally came in the seventh inning, when Simon's wild throw enabled Hinske to reach first. Kiteen again sacrificed and Smith hit for a base, sending the runner across the plate.

The score by innings:

Juniors..... 1 2 3 4 5 6 7 8 9
Yale..... 0 0 0 0 0 0 0 0 1
Harvard..... 2 1 0 0 0 0 0 0 2

Summary: earned runs, Yale, Harvard; sacrifice hits, Stephenson, Kiteen; 2; struck out, by Castle 5, by Meyer 3; base on balls, by Castle 1, by Meyer 4; hit by pitcher, by Castle; stolen bases, O'Brien, Jones, Leonard; home runs, Castle; two base hit, Smith.

MYSTERY IN HER DEATH.
Age Women of Stamford at First Said
She Had Been Attacked.

Stamford, Conn., June 22.—Catherine Brady, about eighty years of age, died at the Stamford hospital early yesterday under circumstances which the police regard as suspicious. She was found by neighbors Tuesday midnight, lying unconscious on the front veranda of her house. Her eyes were blanched, her forehead was bruised, and there was a clot of blood at the base of the brain.

She said at first that she was struck down while trying to find the source of a mysterious noise in her house, but later declared that she fell down a flight of stairs.

Tremont Temple Must Pay Tax.

Boston, June 22.—The Supreme Court yesterday decided adversely on the petition of the Evangelical Baptist Benevolent and Missionary Society, owners of Tremont Temple, for an abatement of taxes assessed by the city in 1903. The court holds that the society can hold property to the value of \$600,000, as allowed them under the charter granted by the Commonwealth prior to 1860, but all holdings in excess of that amount are assessable.

The assessors of the city assessed the land and building of Tremont Temple at \$900,000, and allowing for the \$300,000 allowed by law, assessed taxes on \$600,000.

Following the Flag.
When our soldiers went to Cuba and the Philippines health was the most important consideration. Willie T. Morgan, retired company sergeant, U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and, being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it is the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at the Red Cross Pharmacy. Price 50c and \$1.00. Trial bottle free.

**CHAMPIONS
ON EXHIBITION**

Defeated the Strong Beverly,
Mass., Team, 7 to 4

TEAM IS A FAST ONE

The Intensity in the First Game Showed
Up Strongly in Field, Although
They Did Not Bat
Beverly.

The strong independent baseball team of Beverly, Mass., was defeated in a seven-inning exhibition game at the University grounds yesterday afternoon by Minnie Unite's sunny team, which is doing the championship for the intensity in the Northern League this summer. The final score was seven to four. The game was called after Beverly had batted in the first of the seven innings, as the visitors would catch the train.

For the first try-out the new Inter-
city team showed up in excellent shape
and highly pleased the 700 fans who
had come out to see up the bunch.
Judging from their work in yesterday's
game, the team is the fastest, fielding
and base running team that even repre-
sents the intensity. Beverly every man
seems to be a sprinter when he comes
to get into the base, and the team plays
like mad every minute.

The individual players together in fine
shape and does fast work. Asimone, who with Eaton made the only men of last year's
team in the field, is in his old form
on the initial hop and the fans know
that there is no fear from that quarter.
Elliott at the second base played a game
that was a joy to see. He scooped them
up right and left, without a stumble,
and was sure on his charges to first.
His work yesterday was one of the features
of the game. The third sack is
also as well coaxed for Williams who
takes everything that comes his way
with ease and has a pretty throw to boot.
Eaton was behind the rubber and that he
is the man for the place goes
without saying with the intensity sup-
porters. He is in good shape and still
up to his old tricks of nipping them
up to second.

Warner pitched six of the innings and
for the first three innings pitched mag-
nificent ball, but one man went second
base. In these innings the balls went
over the base. He canons shots and
not a man of the visitors walked on
four balls. After this it was evident
that he was letting up, and in the
fourth the visitors got in three timely
hits for two runs. Again in the sixth
Simons, Burlington's old timer, homered
rapped out a two-bagger and Donavan
followed with a hard drive which cleared
the right center fence for a home.
Warner then settled down to pitching
again and the next three men were
easy outs. Blaisdell was put in for the
last inning, but he did not have to
pitch long enough to get hardly warmed
up, as one man was out and the
other two flied out to left field. War-
ner allowed six hits against a heavy
batting load and fanned five.

The confidit is by no means inferior
to the infield. Daniels in the left
field had four chances and he picked
them out of the air like picking black
berries from a bush. He was all over
his field at the right time and made
a sensational catch of a foul fly. Man-
ager Unite who covered short last season
is in great shape has taken the center
field this year and is fully capable
of accepting anything that comes that way.
His old position at short has been taken
by Davis, who has a reputation of
being a fast one for that position. The
right field was filled yesterday by
Blaine and Warner, as the players for
that position has not yet arrived.

Blair, who played second base for
Rutland last year, did the pitching for
the visitors.

SLEAYER KNOWN.

First Real Clew in the Kissin Murder
Mystery.

New York, June 22.—With the first
really tangible clew since Mrs. Alice
Kissin was mysteriously murdered on
June 8, the police are confident that
within 24 hours the slayer will be in
their custody.

A damning piece of evidence has just
been discovered in an unsealed letter
received at the Stanton mansion two days
before the woman was beaten to death.
It threatened that she would be dead
within 48 hours, and although the police
knew the writer, Capt. Price of the Bronx
detective bureau said his or her
name would not be made public until
the person in question is taken in custody.

Yesterday will be the first time in
many years for star-chamber proceedings
in a great murder mystery. Conner
McDonald explained that the case is
surrounded with many remarkably pec-
uliar features, and in consequence it de-
mands a trial that will be conducted
in the interest of justice. Sixty
witnesses have been summoned.

LIFE TOO SWIFT.
F. P. Wilson, Fugitive Clerk of Los
Angeles, Wiser.

New York, June 22.—When Frederick
P. Wilson, the fugitive clerk of the
Title Guaranty & Trust Company at
Los Angeles, was turned over to the
chief of police of that city in the Tombs
yesterday, he remarked philosophi-
cally:

"I always had a hankering to see New
York, and experience the gay life I had
read so much about in the papers. My
act was not an impulsive one. I planned
it carefully. I sent my wife and child
to stay with my relatives in Denver,
and I made straight for Little Old New
York! Here I took my ring at the races,
and got half bitten there as well as in
Wall street. New York is too expensive
for me. The best job I could get paid
me only \$4 a day and my expenses
were never less than \$10 a day."

Although Wilson is charged with having
left Los Angeles with \$20,000 of the
company's money in his pockets, he had
only a few cents when arrested here on June 6.

Masons in Triennial Session.

Boston, June 22.—The business ses-
sion of the thirty-third triennial con-
vention of the General Grand Chapter
of Royal Arch Masons of the United
States was resumed yesterday at Masonic
Temple. Chief among the items
was the election of officers.

MANY SUDDEN DEATHS

From Rheumatic Rheumatism.

The Disease Has No Drugs Should
Be Taken in Time.

Rheumatism has long been regarded
as a chronic disease, which, if might be
possible, was not necessarily dangerous.
Very few persons, it was thought, ever
died from rheumatism. Recent investi-
gation among scientists has proved, how-
ever, that after fifty years of such a belief
these deaths, in seven-eighths of the
sudden deaths, heart failures, etc., are
due primarily to neglected rheumatism.
The rheumatic and person is allowed
to stay in the system until suddenly
one day it grasps the muscles of the heart
and all is over.

Rheumatism is curable if the proper
treatment is used. Liniments, poultices
and all local applications may relieve
the pain for a short time, but no one
ever heard of their permanently curing
a case of rheumatism. The only way
to cure rheumatism is the Curo-D way.
Neutralize the rheumatic acid and drive
it away from the system. That is what
Curo-D does. No matter what is the
kind or character of the rheumatism,
it is all caused by the same rheumatic
poison. Limphatic, muscular or articular
rheumatism yields at once to Curo-D.
The Red Cross Pharmacy is the home
of Curo-D in Barre and they can tell you
all about its wonderful virtues and the
many cures it has made right here in
your town. It sells for 50c and \$1.00 a
bottle. If you wish to test Curo-D before purchasing, a letter to
the South Drug Co., Syracuse, N. Y., will
bring you a trial bottle free of all
charges.

the visitors, and though it is not known
that he poses as a twirler, he did credit-
able work.

If there was one weak feature of the
Intensity's work yesterday, it was with the
bat. Shaw was only hit for the singles,
and had he been given anything but rugged support, the game
would have been much closer, as the only two of the Intensity's runs were
earned. The home team made three
in the first inning, after two men were
out, on singles by Unite and Eaton.
Their remaining tallies were made in
the fifth on a single by Daniels, another
hit by Elliott and a two-bagger by
Unite, and the visitors contributed four
errors.

The score:

SUIT AGAINST BIG TRUST.

President is Conference With Five of His Cabinet.

Washington, June 22.—A conference
between President Roosevelt and five
members of his Cabinet has given rise
to much speculation. Secretary of State
Root, Secretary of War Taft, Attorney
General Moody, Secretary of the Navy
Boggs and Postmaster-General Cor-
coran were present.

The most that can be learned about
the conference is that the result of it
will be announced in a few days through
the Department of Justice, and this is
accepted as meaning that the Adminis-
tration is about to institute legal pro-
ceedings under the anti-trust law against
some great combination of capital.

He objected to the provision authoriz-
ing the Secretary of the Navy to provide
quarters for officers serving with troops
where there are no quarters belonging
